Total rebate		

Terms and conditions

- To be eligible for an incentive, I understand that the dwelling must be a new residential premise constructed in the FortisBC service area or in one of the following electric utilities: Grand Forks, Kelowna, Penticton, Summerland or Nelson Hydro. I understand that the dwelling must have a primary electric space heating system (for example: air source heat pump, ground source heat pump, electric forced air, electric baseboard) to be eligible for the insulation, domestic hot water and EnerGuide Rating rebates.
- I understand that the occupancy permit must have been issued on or after January 1, 2011, to be eligible for the PowerSense New Home rebates. I understand that products covered by this program must be purchased and installed after Jan 1, 2011 and before Jan 1, 2012 to be confirmed by sales receipts.
- I understand that I must supply FortisBC with copies of the clear, legible sales receipt and/or invoice summary that clearly indicate make, model, and any other required information about the product purchase in order to allow confirmation that the product purchase meets program criteria. I understand that all products installed in the home must meet qualifications defined by FortisBC. ENERGY STAR® labelled products must be listed on the NRCan website: <http://www.energystar.gc.ca>.
- I understand that I am solely responsible for full payment of the contract with the Contractor. FortisBC Inc. will have no obligation to pay the amount of the grant to the Homeowner if the contract has not been completely performed, or pay out to the Homeowner any greater amount than the amount of the grant herein agreed.
- I understand that FortisBC has the right to inspect the home to verify the installed products before a rebate is paid, and will allow, if requested, a FortisBC representative reasonable access to the home. I understand that an incentive will not be paid if the inspection is refused.
- I understand the selection, purchase, installation, and ownership/maintenance of the products and measures listed in the rebate application are not the responsibility of FortisBC and that the suppliers/installers of these products are not affiliated with FortisBC. IT IS UNDERSTOOD THAT FortisBC MAKES NO WARRANTY WHETHER EXPRESSED OR IMPLIED, OF ANY PRODUCTS OR MEASURES THAT HAVE BEEN COMPLETED, INSTALLED, OR CLAIMED FOR AN INCENTIVE. FortisBC has no liability concerning (1) the quality, safety, and/or installation of the products or measures, (2) the estimated energy savings of the products or measures, (3) the workmanship of any third parties, (4) the installation or use of the products or measures.
- I understand that the products approved for incentives cannot be combined with any other FortisBC PowerSense offer or promotion.
- I understand the terms of this program offering is to be determined by FortisBC and may be modified or terminated without prior notice.

Declaration: I have read and understand the above terms and conditions. I certify that the information I have provided is true and correct and the product(s) for which I am requesting an incentive meets the requirements listed on the incentive form. I have enclosed original receipts and/or invoices of all product installation work.
